An enchanting 3 bedroom cottage in Old Town Cowes

This beautifully presented home is over three levels with a stylish modern kitchen/dining area that has double doors opening to its outside space. A further dining room, which could also be utilised as a sitting room, has lots of charm as does the whole property. There is plenty of storage throughout the building and with a ground floor cloakroom, a top floor cloakroom and two shower rooms, this a practical and thoroughly well planned out home. The first floor bedrooms have either a balcony or terrace, along with it being only a 2 minute walk to the Red Jet, this is a rare find in Old Town Cowes. The property is being sold chain free.

Interior

A charming end of terrace period cottage which has delightful features throughout but with additional modern conveniences. Tastefully decorated in soft tones, this home is bright and airy but retains its cosy and homely feeling.

Ground Floor:

The lobby, with stained glass window, leads to a useful cloakroom and into the delightful kitchen/dining area. A brand new kitchen fitted in January 2024 has Shaker style wall and base units in a bespoke 'Antique Rose' colour which also form an island, with induction hob and downdraft extractor fan situated inside the storage cabinets. Included are intergrated appliances - a dishwasher, washing machine, fridge freezer and a slide and hide Neff oven. A walk in pantry and storage area is cleverly hidden from view and is found through the double doors. The oak worksurfaces compliment the wooden flooring and flow around the many storage cupboards. There is a step up to the dining area that has double glass doors and clear panels that allows the light to flood into the room. A separate dining room, which could be a sitting room or office, has stripped floorboards and a built in cupboard.

First Floor:

Two double bedrooms are on this level, the generous sized principal bedroom with doors opening onto a balcony, two built in cupboards and an ensuite shower room. The second has an ensuite shower room and access to the terrace.

Second Floor:

Within the hallway is a cupboard that gives plenty of storage and from here is further under the eaves storage.

A double bedroom, with ensuite cloakroom, has a window giving views of the town and out to the harbour and sea views.
