Sandown

Situated on the eastern side of the Island, which gives fantastic sunrises over sheltered Sandown Bay and some of the best sandy beaches on the Isle of Wight. These continue northwards through to Yaverland and Culver Down and follow down to Shanklin and Luccombe.

A traditional 'bucket and spade' holiday destination which includes Sandown Pier built in 1878. The Wildheart Animal Sanctuary is based within one of Lord Palmerston's Fort 'Follies' and is now home to lions, tigers and many other animals with successful conservation projects within the Island and abroad. As expected of a seaside resort there are many restaurants, tea shops and attractions catering for the whole family.

Sandown is well connected to the rest of the Island with a railway station that links it with Ryde and has good bus routes to Newport and surrounding areas.
