A immaculate three bedroom bungalow

Located in a quiet cul-de-sac in rural Shalfleet. This beautifully presented home has three double bedrooms, a large sitting room, modern kitchen and a garage, currently converted to a large storage room but can be easily reverted back for a car storage. Low maintenance gardens and off road parking complete this delightful home.

Interior

This bungalow has a lot to offer, not only with its excellent presentation and three double bedrooms, the property has been purposely built with generous sized doorways that could fit a wheelchair, lower height light switches and a slope leading to the entrance door.

Inside this well thoughtout property it is light and airy and from the generous sized hallway you reach all rooms including an internal door to the garage/store room. Laminate flooring runs throughout all the rooms apart from two carpeted bedrooms, practical and stylish.

There are two double bedrooms looking out to the rear garden and one to the fore. The bathroom is a good size and includes not only a bath, wc and basin but also a tiled separate shower cubicle. A separate convenient cloakroom leads through to the garage/store room. This great space has plenty of room for additional storage and gives access to the rear garden and can be easily returned to use as a garage.

The modern kitchen has light wooden wall and base units which include an electric oven and a four ring gas hob. There is space and plumbing for a washing machine and room for a breakfast table and a large American style fridge freezer.

The large sitting room gives relaxing views out to the garden through the double patio doors.

Exterior

A well kept block paved driveway leads to the garage door and a slope leads up to the smart entrance door with a flower bed to one side.

The secluded south west facing rear garden is L shaped and has a side entrance gate to the front of the property.

A lovely mix of perfectly presented flower beds, mature plants, patio and low maintenance faux grass makes this private area a great place to relax, socialise and dine al-fresco. A summer house completes this pretty garden.
