## A fabulous three bedroom detached bungalow

Located in a quiet cul-de-sac, this spacious home is on an elevated position and has fabulous views out towards the sea. There are two reception rooms, utility room, modern kitchen and two bath/shower rooms. Along with a large garage/workshop there is off road parking for several cars and a lovely south east facing low maintenance garden at the rear. CHAIN FREE.

### Interior

Entering into a convenient lobby and utility room, there are tall storage cupboards, space/plumbing for a washing machine and tumble dryer and low level fridge and freezer. This useful area has double doors to the garden and also leads into the main property itself.

The kitchen is modern and stylish with navy blue and grey wall and base units that have an integrated double Bosch oven, 5 zone Siemens induction hob, tall fridge freezer and pan drawers within. This well appointed room is one of many that have gorgeous views out to The Solent. It also contains modern column radiators, pretty splash back tiles and a deep wooden work surface.

Wooden flooring flows through both the dining and sitting room and onto the hallway where there is another entrance door. These airy and bright rooms blend into each other with the dining room having sliding patio doors that open to the rear garden and the sitting room making the most of the watery views through large windows at the fore.

From the hallway, with its double airing cupboard, there are three double bedrooms. Two bedrooms are at the rear looking into the garden with the principal bedroom having an ensuite shower room and built in sliding wardrobes along one wall. The good sized double bedroom at the front of the property has the benefit of those great sea views.

The final room in this very well presented home is the family bathroom with overhead shower.

## Exterior

At the fore of the property is a very well maintained block paved driveway that has low mature hedging and plants that allow glorious views out towards the sea from both a patio area and from inside the house. There is a large garage/workshop, with up and over door fitted in 2025, to one side that also gives access to the rear garden. This beautiful and peaceful space is low maintenance with shingle underfoot and a wall raised flower bed along the rear width of the property. It is secure and private with a garden store and many mature plants throughout this wide outside space that has designated seating areas throughout, making the most of the sunshine.

## Cowes

Cowes is rich in nautical heritage and an international mecca for sailing, culminating in Cowes Week held in August each year. It has quick access to Southampton via the more modern Red Jet as well as many marinas and sailing clubs dotted along the waterfront.

Within the High Street there are two supermarkets, many boutique shops, pubs and eateries. Historical Northwood House & Park hosts weddings, fairs, concerts and conferences with outside space to enjoy walks. The chain ferry links Cowes to East Cowes where you can find the Red Funnel car and passenger ferry to the mainland.
