Interior

On entering the apartment there is a long hallway from which all rooms flow with cleverly utilised storage space from low level wooden cupboards. All areas are stylishly decorated as well as having wooden flooring throughout the property with bespoke points found within this chic property.

The two double bedrooms are bright and light with the chic second bedroom having a double built in mirrored wardrobe and two highly decorated bespoke basins on a vanity table. This room leads through to a versatile space which could be a dressing room or study and from here to a 'Jack and Jill' shower room with fully tiled walk in cubicle. The stunning main bedroom incorporates its own freestanding tub within a recessed area as well as having a cleverly separated wc and basin. This superbly designed room has opaque French doors opening onto a Juliet balcony.

The airy open plan kitchen/dining/living area is split level, dividing the well equipped kitchen from the fantastic entertaining area with its sea views and access to the balcony.

Amongst the sea green/turquoise wooden kitchen units is a SMEG gas range cooker with a five zone induction hob and space for a tall fridge freezer and dishwasher. There is a larger than average cream breakfast bar flowing over the base units making a great focal point and a raised aspect over the lovely sitting area with its lovely views.
