We are one of the UK's leading national homebuilders operating at a local level from 22 regional businesses. We also have a small operation in Spain. We were established from the merger of George Wimpey and Taylor Woodrow in 2007, companies that date back over 100 years.

Award-winning homes

We're proud to have been awarded 5 stars for customer satisfaction by the Home Builders Federation, which means over 90% of customers would recommend us to a friend.

Trustpilot reviews

We're so confident in our service that we welcome Trustpilot reviews from all customers. Listening to your feedback and making sure you're happy helps us to improve our service and allows us to continue leading the industry.
