About the property

A two bedroom link detached bungalow, set within a quiet and peaceful Close, just moments from the village centre. Niton village itself is vibrant and hosts a superb family grocery store, post office, library and local café, along with three pubs to choose from. There's also an array of local footpaths to discover, whether your heading east along the coastal trail towards the nearby town of Ventnor or West along the coastline along the Military Road to the Needles.

Arriving at the home, you're met with a driveway for multiple vehicles along with integral garage, whilst the front of the home is screened with a mature garden.

Internally, the home does require some modernising throughout, but has plenty of potential. There's an internal hallway, two family bedrooms and bathroom. There's a spacious lounge with views out into the distance to the countryside. There's also a well sized kitchen to the rear of the property.

Externally, at the rear of the property, there's a patio area that leads to the lawned garden with an area for sheds and greenhouse.
