About the property

Beautifully presented, a stunning rear garden and countryside views both front and back. This 3 bedroom detached home is perfectly placed for village life, rural walks and ability to move straight in with nothing more than to decide where to put the furniture.

Whitwell is a south Wight village with stunning countryside surrounding you, walks on Stenbury Downs, the Pilgrims trail and plenty of cycling options too. A local village pub, traditional community and excellent connections to both the seaside town of Ventnor and the larger village of Niton are in close proximity.

Set back off the road, the property offers a driveway for several cars plus a garage. The rear garden here is immaculately kept and thoughtfully designed with a wonderful backdrop of countryside at the rear. A patioed area off the kitchen and a sunny aspect ensures the space is perfect for those summer weekends and evenings.

Internally, the property is bigger than you might initially perceive, helped by a large extension to form a kitchen/diner. There is a large utility room and downstairs shower room. The lounge is an open space, superbly presented and with a homely feel. Upstairs, you will find three well sized bedrooms with another large family bathroom. In addition, the property has a well sized loft, neatly shelved and boarded by the current owners.
