About the property

A charming period property in the heart of Newport, that has masses of space both inside and out! This three double bedroom, Victorian home is offered to the market chain free and in fabulous condition too! Delivering a convenient location which ensures you can access both the town, public transport and the countryside with relative ease.

A handsome house from the kerb, the property doesn't disappoint inside either. The rooms are bright, light and airy, whilst being spacious in every aspect. The lounge is bay windowed with a feature fireplace and the dining room with its open brick and log burner adds to the character. The kitchen leads suitably on from the dining area to ensure a sociable space.

There are three bedrooms here with a modern family bathroom. The bedrooms are all doubles and therefore provide plenty of space for the growing family. Outside, the garden is quite the surprise, its a large, sunny and private area which also offers a summer house. The summer house is mid-way through upgrading to a gym/office and would require finishing.
