About the property

SOLD PRIOR TO MARKETING

Chain free, deceptively spacious and perfectly placed for any buyers wishing to be conveniently positioned. This period property comes to the market offering excellent living space and three well sized bedrooms too. The property does require a little care and attention, but offers the potential purchaser the opportunity to make their own mark whilst adding investment value too.

Within a short stroll around the corner, you will find yourself amongst the Newport High Street shops, cafes and restaurants. The property also sits a close walk to the Victoria Recreation ground and the River Medina Quay.

There are two reception rooms on the ground floor, accessed via a hallway which also links through to the lounge and kitchen with its further storage spaces. The first floor provides two bedrooms, both doubles and the master being a fantastic room and quite the surprise.

Outside, the property offers a rear garden, which needs some TLC, but is well sized enough to create a green space if desired or a low maintenance space that is both sunny and private.
