Stamp Duty

You must pay Stamp Duty Land Tax (SDLT) if you buy a property or land over a certain price in England and Northern Ireland.

You pay the tax when you:

- buy a freehold property
- buy a new or existing leasehold
- buy a property through a shared ownership scheme
- are transferred land or property in exchange for payment, for example you take on a mortgage or buy a share in a house

The threshold is where SDLT starts to apply. If you buy a property for less than the threshold, there's no SDLT to pay.

The current SDLT threshold for residential properties is £125,000.

The threshold for non-residential land and properties is £150,000.

Thresholds

Up to £125,000 – 0%

£125,000 (the portion from £125,001 to £250,000) – 2%

£625,000 (the portion from £250,001 to £935,000) – 5%

Example

In October 2021 you buy a house for £295,000. The SDLT you owe will be calculated as follows:-

0% on the first £125,000 = £0

2% on the next £125,000 = £2,500

5% on the final £45,000 = £2,250

Total SDLT = £4,750

First-time buyers:

From 1 July 2021, you'll get a discount (relief) that means you'll pay less or no tax if both the following apply:

- you, and anyone else you're buying with, are first-time buyers

- the purchase price is £500,000 or less

You'll also be eligible for this discount if you bought your first home before 8 July 2020.

How much you pay depends on whether the land or property is residential use or non-residential or
