Stamp Duty

You must pay Stamp Duty Land Tax (SDLT) if you buy a property or land over a certain price in England and Northern Ireland.

You pay the tax when you:

- buy a freehold property
 - buy a new or existing leasehold
 - are transferred land or property in exchange for payment, for example you take on a mortgage
- The threshold is where SDLT starts to apply. If you buy a property for less than the threshold, there's no SDLT to pay.

The current SDLT threshold for residential properties is £250,000.

The threshold for non-residential land and properties is £150,000.

Thresholds Property Price SDLT Rate

Up to £250,000 0%

The portion between £250,001 to £925,000 5%

The portion between £925,001 to £1,500,000 10%

The portion over £1,500,001 12%

Example

In October 2021 you buy a house for £295,000. The SDLT you owe will be calculated as follows:-

0% on the first £125,000 = £0

2% on the next £125,000 = £2,500

5% on the final £45,000 = £2,250

Total SDLT = £4,750

How much you pay depends on whether the land or property is residential use or non-residential or mixed-use.

If you're buying a residential property there are different rates of SDLT if:

- you're a first-time buyer
- you already own a property and you're buying an additional property
- you're not a UK resident

You can use HM Revenue and Customs' (HMRC) Stamp Duty Land Tax calculator to work out how much tax you'll pay.

You may be able to reduce the amount of tax you pay by claiming relief, such as if you're a first-time buyer or purchasing more than one property ('multiple dwellings').

First-time buyers:

From 1 July 2021, you'll get a discount (relief) that means you'll pay less or no tax if both the following apply:

- you, and anyone else you're buying with, are first-time buyers
- the purchase price is £500,000 or less
