DESCRIPTION

The Nook is positioned on Copeland Road, in a prime location, with front aspect overlooking the Estate's private tennis court. The front door opens to an enclosed entrance porch with a door to the W.C. and from here opens into a spacious reception hall currently used as the formal dining room. Bedroom 2, with a range of built-in storage, sits at the front of the bungalow. The sitting room with log burner has a set of sliding doors onto the garden room and a pleasant outlook to the garden. The master double bedroom, with built-in storage, also shares a similar outlook. There is a ground floor shower room with W.C. The kitchen breakfast room with fitted units, has a door to the side. There is also a 32ft long garden room incorporating a utility area, with shelved storage and double doors directly to the garden, and one at the end, opening to the covered seating area and a door to the double length garage. There is a staircase to a good size loft space currently divided into two areas (one with a sink) which have previously been used as bedrooms and could be developed further subject to planning and building regulations. The first floor offers views out over the Estate and eaves storage on both sides. The pretty, cottage style gardens at the rear include a raised decked area, covered terrace, a pond and a large shed. At the front of the property there is driveway parking for one vehicle and access to the double length garage. In our opinion it is certainly worth an internal inspection to appreciate the space and potential this wonderful home has to offer.
