DESCRIPTION

The outer door opens into a large, glazed entrance porch with bay window overlooking the pretty front gardens and a large double storage cupboard. The original front door opens to a good size entrance hall which opens to the sitting room, also with large bay window overlooking the front gardens and has a fireplace with log burning stove. The hallway, sitting room and bedrooms all have wooden floors. The kitchen breakfast room is to the rear of the bungalow and has a range of fitted units and integrated appliances, space for dining and a window and door to the rear.

The master bedroom has fitted storage, an ensuite shower room with W.C. and double doors out to the rear terrace. Bedroom 2, also a double, has a window to the side and double doors to the front. There is also a third smaller double bedroom and a family bathroom.

At the front of the bungalow is a pretty, cottage style, south facing garden, surrounded by hedge and shrubs with a latch gate to the front and a path to the rear of the property. Here there is a great size terrace, totally secluded (accessible from the kitchen and master bedroom) providing a superb area for outdoor dining/entertaining. There is a gate to the driveway/off road parking and side door to the garage which also has an up and over door to the front. We would highly recommend an inspection both inside and out to appreciate the space and beautiful presentation of this property.
