THE PROPERTY

Tucked away in the heart of this sought-after Cotswold village, Aston Lodge, has been lovingly renovated and beautifully presented, blending period character with contemporary style.

From the moment you step through the door, the house feels warm and welcoming. The stunning kitchen and dining room forms the heart of the home – a space made for gathering family and friends, with its generous proportions and views spilling out into the garden. The adjoining sitting room offers a relaxing space to sit with its double-sided log burner a real feature. Beyond, the garden room invites the outdoors in, offering a spot to sit with a morning coffee or to spill out through the glass bi fold doors to the terrace.

The drawing room with its log burning stove provides an elegant retreat, while the cosy snug makes the perfect hideaway on winter evenings or to watch a film. Practicality is well thought through, with a boot room and utility room ensuring everyday living is effortless.

Upstairs, the principal bedroom suite has a dressing area and a luxurious bathroom. Four further bedrooms and two stylish bathrooms mean there is ample space for family and guests, while the study offers a dedicated place to work.

OUTSIDE

The property is approached between Cotswold stone walls with a gravel drive and parking for a number of cars. A range of outbuildings includes a gym, garaging, workshop and stores. The gardens and grounds are pretty with sweeping lawns, herbaceous borders, and places to sit and enjoy al fresco entertaining, all with far-reaching views across rolling countryside. At the edge sits a tennis court tucked discreetly to one side.

This is more than a house – it is a home full of character and comfort, designed for modern family life while cherishing its historic roots.
