THE PROPERTY

A UNIQUE LIFESTYLE OPPORTUNITY. Located in an off the beaten track environ in Ruan Minor with Cadgwith Cove nearby. A wonderful opportunity to purchase a delightful broad fronting, three double bedroom, semi detached period cottage of much charm, offering versatile accommodation with the added benefit of a beautiful and recently converted one double bedroom self contained attached annexe, together with two further storage barns, private off road parking and large garden.

The property is approached from the lane where a five bar metal gate opens onto the driveway, passing the well tended garden and paddock, which in turn leads to the attached 'Dutch' style open barn, a converted one bedroom annexe, an additional stone barn and culminating with the main three double bedroom semi detached home.

This unique character property offers attractive part exposed stone/serpentine and rendered external elevations, under a pitched slate tiled roof, UPVC double glazed windows and warmed by an oil fired central heating system. We have been informed that the oil boiler and tank were replaced in 2019.

Upon entering the entrance hallway of the main residence, a door opens into the generous kitchen/diner which was installed circa 2020, offering an excellent selection of base/wall storage units and ample room to provide a dining table. A door opens from the kitchen into the living room and the newly constructed garden room. A staircase ascends from the hallway to the first floor landing where doors lead off to three double bedrooms and a bathroom.

The newly converted character annexe comprises a generous open plan kitchen/living room, an impressive double bedroom and shower room.

This lovely versatile home certainly offers a life style opportunity for the discerning purchaser seeking a generous garden with extra private accommodation for a potential AirBnB, dependant relative or a teenage crash pad etc. The home offers a level garden mainly laid to lawn, with a well fenced large garden which could be cultivated for vegetable growing or other desired purposes.

LOCATION

Ruan Minor is a delightful rural near coastal village located amongst some superb countryside, nestling beside the iconic communities of Lizard, Cadgwith, Kuggar and St Ruan. The village offers a well respected local shop, church and an excellent primary school. The iconic destination of Cadgwith must surely be considered as one of the most picturesque and authentic Cornish fishing villages, epitomising this gorgeous setting with classic colour washed thatched cottages spilling down each side of the valley to the beach below. Cadgwith is located on the eastern side of the Lizard peninsula, and enjoys mesmerising views with fishing boats drawn up the beach and out across the cove. The village has an iconic pub where the Cadgwith singers perform genuine Cornish sea shanties most Friday evenings, further enhancing this delightful charismatic venue. The nearby stunning Cornish footpath enjoys some of the most dramatic coastal scenery the UK has to offer. In recent times, the village has enjoyed much media coverage on national TV and major film work highlighting this gem of a traditional fishing village.
