THE PROPERTY

An impressive, two double bedroom semi detached house with the benefit of a triple sided conservatory, front and an enclosed low maintenance rear garden, private parking space, and located within a hugely popular residential area within close proximity to Helston town centre with all its amenities on offer.

The house built circa 2011 is set back behind attractive painted iron railings, offering most attractive architectural exposed red brick external elevations, under a pitched concrete tiled roof, UPVC double glazed windows and warmed throughout by a gas fired central heating system. Further external low maintenance features include plastic fascia's, soffit boards, guttering and rain water down pipes.

The house has been very well maintained by the current vendors, and benefits from a rear conservatory providing extra valuable accommodation space which is linked to the living/dining room. This lovely home is internally decorated throughout in neutral pastel colours. Upon entering the reception hallway, an archway and doors lead off to the exceptionally well designed ergonomic fitted kitchen, a cloakroom and a living/dining room with a pair of doors opening out into the

conservatory and rear enclosed garden. The first floor accommodation provides two double bedrooms and a family bathroom. The home offers a fully enclosed secure rear garden, bordered by timber fencing to the boundaries.

A wooden security gate opens onto the side paved footpath leading to the low maintenance rear enclosed terraced garden, complemented with a paved patio, lawn, together with a generous wooden storage shed, rain water storage butt and steps descending to an access gate leading to the adjacent parking space which is located just behind the rear boundary wall. The front aspect offers a lawn, neat flowering borders together with an outside water tap.

As sole acting agents we most thoroughly recommend a viewing to appreciate this delightful home.
