Upon entering the useful porch a door leads to the entrance hallway. From here there are doors to the kitchen, living/dining room and stairs to the first floor. On the first floor are three bedrooms and a shower room.

The property is timber frame construction with painted and clad external elevations. There are concrete tiles on the roof, majority double glazed windows and doors, and warmed by an air source heat pump.

There is a garage located at the end of the row of houses.

## LOCATION

The village of Mullion caters for every day needs and facilities including various shops, primary and secondary schools, post office, restaurants, galleries, public houses, churches, and a superb eighteen hole golf course. Nearby are Poldhu beach and Mullion Cove and the picturesque Mullion Harbour is a stunning backdrop set amongst some of the finest cliff top walks the peninsula has to offer. The larger and historic market town of Helston stands at the gateway of the Lizard Peninsula which is Britain's most southerly point, which gives access to some of the most dramatic coastal scenery and beaches the UK has to offer. The coastal and inland villages are most picturesque which add to the overall charm of this delightful and highly

regarded peninsula. Helston has an eclectic array of individual shops, well regarded schools (both primary and secondary) sports centre, doctor's surgeries, pharmacies and a cinema. The area boasts some outstanding walks and scenery nearby, eg Helston's boating lake through the National Trust land towards the outstanding Loe Pool and Loe Bar with the sea nearby.
