What is Fitwel?

Fitwel is a high impact building certification designed to support healthier workplace environments and improve occupant health and productivity.

ONE DORSET STREET
FITWEL CERTIFICATION

One Dorset Street is the first Fitwel certified building in Hampshire.

The Fitwel scheme is the world's leading certification system that optimises buildings to support health.

One Dorset Street can help your employees live and work at their most optimal level with easy and convenient healthy choices available as part of their working day.

What's in the area?

Thanks to its central location, One Dorset Street is within just a few minutes walk or cycle from the city's key amenities, transport links and residential areas. In the immediate vicinity are two attractive parks, several gyms and healthy eating options.

More leisure and retail options, as well as Southampton Central Station, are all within an easy 17 minutes walk – and of course it's even quicker by bike.

One Dorset Street is located on the western side of Dorset Street, which links to The Avenue (A33), the main arterial route north from the city connecting with the M3. To the south lies the Charlotte Place Roundabout, one of the main roundabouts on the inner ring road, which links through the city connecting with the M27 to both the east and west of the city.
