A detailed architectural rendering of the City Village development in Belgrade Plaza, Coventry. The image shows a modern multi-story building with a prominent section of light-colored wood cladding and a taller section with a glass facade. The ground floor features a glass-fronted entrance and an outdoor seating area. To the right, a red brick building with a large arched window is visible. The foreground includes a paved plaza, streetlights, and a large abstract sculpture. People are shown walking and sitting, giving a sense of scale and activity.

CITY VILLAGE

BELGRADE PLAZA / COVENTRY

LOCATION

The City of Coventry has a population of over 316,000 making it the 12th largest city in the UK. The City is home to two major universities providing a substantial student population.

City Village forms Phase 3 of the Belgrade Plaza area regeneration scheme.

Belgrade Plaza has become a destination leisure location for the City and hosts a variety of gym, hotel and restaurant operators.

It sits adjacent to Belgrade Theatre, hosting daily shows, conferences and events and attracting more than 180,000 visitors annually.

The development is in close proximity to the retail core and is linked directly to a 1,100 space multi storey car park with direct access from Coventry's inner ring road.
