LETTINGS COST AND CHARGES TO TENANT/S

For all Assured Shorthold tenancies 'AST', tenancies of student accommodation and licences to occupy housing in the private rented sector in England

When renting a property, you will need to take into consideration the lettings cost and charges when you make an offer.

Holding Deposit: You will be required to pay a holding deposit equivalent to one week's rent in order to take the property off the market. The week's deposit could be taken as part of your first month's rent or used as part of your Deposit (to be mutually agreed). Please note further below, important information on Holding Deposit.

Security Deposit: This is equivalent of 5 weeks (if your annual rent is less than £50,000 per annum) or 6 weeks' rent (if your rent is equal to or greater than £50,000 per annum), payable prior to the commencement of your tenancy to cover the added risk of property damage that is beyond fair wear and tear. This deposit will be protected in a Government-Authorised scheme and may be returned at the end of the tenancy.

Advance Rent: Rent is usually payable in advance for each tenancy. You will therefore need to pay the first month's rent prior to the commencement of your tenancy.

Other fees and Charges to consider: Wedgewood Estates do not charge any Application fees, Tenancy set up costs, Referencing of tenants, Contract negotiation, Inventory or tenancy renewal fees.

Tenants may be charged for the following;

- Payments in the event of a default at an interest rate of 3% per annum above the Bank of England base rate,
- Payment of £48 including VAT (£40 + VAT) on variation, assignment or novation of a tenancy (this is for managed properties and/or where we collect rent).
