A message from the landlord

Having grown up in this area from childhood and realising its convenience and potential, the landlord has hands-on, built, converted, and developed a fantastic portfolio of exclusive luxury, hi-spec student properties and apartments just for students.

This property is very close to everything a student needs to enjoy in Manchester life and is certainly convenient during those busy times when you can't get a taxi home from events, places and gigs that go on till the early hours of the morning. It's a great place to relax and recover ready for your next exciting venue or get-together, with the convenience of Manchester city centre and the curry mile just around the corner.
