Rear Garden

To the rear are mature, immaculately maintained tiered gardens with a paved patio running to the side and adjacent to the rear of the property with steps to either side leading to the top tier, separated with a middle tier of well established plants, shrubs and fauna. The top tier currently has an area which is partly used as a vegetable patch and a secluded lawned garden with access to a shed and summerhouse. Steps down from the lawn garden lead to a raised paved patio ideal for alfresco dining.

Front

To the front is a tarmac driveway providing off road parking and a gravelled area which can also be used for parking. Access to a single garage with up and over door.

Garage

An integral single garage with up and over door and mains electricity. The garage also houses the controls and battery for the solar panels.

Additional Information

The property has 16 photovoltaic panels installed on the roof with a battery and 2 inverters. The owners inform us that in the last 12 months the National Grid have brought back circa £400 worth of electricity. The owners also say that they calculate the panels produce 75% of the electrical consumption to the property.

Important Information

MONEY LAUNDERING REGULATIONS 2003 Intending purchasers will be asked to produce identification and proof of financial status when an offer is received. We would ask for your co-operation in order that there will be no delay in agreeing the sale.
