Location

Morecambe is an extremely popular traditional seaside holiday resort sitting on the eastern shores of Morecambe Bay, looking towards the Lakeland Fells.

Preston is located some 28 miles to the south, Lancaster 3 miles to the east and to the north west and north east lie the Lake District and Yorkshire Dales National Parks respectively.

Morecambe is benefitting from ongoing development and regeneration initiatives, including the proposed Eden Project for which a planning application has been submitted and approved but awaits satisfactory funding.

Designed to take into account the ecology of the Bay, the Eden Project will further enhance the tourist and resident attraction of Morecambe, once built, as well as further improve student diversity in conjunction with Lancaster University.

Accommodation

Traditional substantial end terraced residence in prime sea front location.

The property has been split into 2 fully self contained flats for a number of years which provide a home with an income. Traditional substantial end terraced residence in prime sea

front location.

Excellent open marine views to the front and the additional benefit of some off road parking to the rear with each flat having a garage. Front garden area.

Large basement offering excellent storage.

Accommodation comprises Shared Entrance Hall giving access to both apartments.
