SELLERS INSIGHT:

"From the moment we stepped into this home we knew we would settle in. We find it bright and so easy to live in as the area is so peaceful and quiet. The plan was to remain here for many years however we have got a chance to move back to where we grew up and our family still lives so we are going to take the opportunity to do so. We are going to miss this house and the memories we have made in just a short time."
