Built in 1984 and occupied by the sellers since, the property has been maintained to an impeccable standard, updated and maintained to the highest order. The house stands in the most wonderful gardens. The care and attention that has been shown in the gardens is very impressive. Internally the property offers four double bedrooms, three reception rooms and a fantastic south facing pergola enjoying the idyllic setting. The house has been maintained superbly with the boiler serviced annually, cavity wall insulation installed, PVC double glazed windows fitted on 2017, together with replacement PVC soffits and fascia boards. The heating is controlled by a Hive system helping to make the property as energy efficient as possible.

As you step through the front door you enter the main hall with a stair to the first floor and galleried landing above.

There is a useful walk-in cloakroom to the side and from the hall you have access to the three reception rooms. Firstly, the lounge which is on the right spans the depth of the house with large windows to the front and rear providing a light aspect and a lovely outlook. There is a useful study to the front of the property and to the rear is the dining room, which has sliding patio doors opening to the rear garden and pergola, the room has a most attractive outlook over the garden and with the doors open is such a relaxing feel. An open archway leads to the kitchen, updated in 2012 with tasteful units, an integrated sink, double oven, hob and fridge. To the rear of the kitchen is the utility room, with additional fitted units and a door leading to the back garden. From the utility room a door opens into a newly fitted shower room, with a large walk in shower cubicle, WC and wash basin it is a great addition to the property. From the shower room a door leads into the integral garage.

The first-floor landing benefits from a Velux to the front and with a galleried area overlooking the main hall and a large double airing cupboard. The four bedrooms are all doubles with the master bedroom having extensive fitted wardrobe space. Both the main bedroom and the third enjoy a pleasant view over the rear garden and bedrooms two and four have a pleasant street view over Irfon Bridge Close towards Daffodil Wood. The bathroom which was updated the same time as the kitchen in 2012, offers a modern white suite, again beautifully

presented for sale. There is a hatch with a retractable ladder off the landing giving access to the loft, which is mainly boarded and great for storage.

There is a large south facing paved patio seating area, with the pergola over, which enjoys the sunshine during the day. The gardens are 80% evergreen and therefore have colour for most of the year and with the extensive planting that has taken place, every week of the year there is a different colour on show.
