The Property

As you approach the property a canopy porch opens to the main entrance hall. The large entrance hall certainly sets the spacious theme that continues throughout the property. With oak flooring and modern decor it is evident from the outset how well the property is maintained. To the right of the hallway is a light, spacious lounge, with a south facing window and a wood burning stove giving it a cosy feel. To the rear of the property is a recently fitted stunning white kitchen, with ample fitted units and appliances. An oil fired Rayburn which provides central heating, hot water, an additional cooking facility and sits within a feature fireplace and acts as a focal point in the room. French doors open to the rear garden and paved seating area. To the side of

the kitchen is a useful utility room with a separate WC to the side, with a fitted storage cupboard, containing an immersion heater for supplementary hot water.

The bungalow offers three bedrooms all of which are large doubles. The master bedroom again has a south facing window, giving it a light aspect and has an en-suite shower room to the side. The shower room is fitted with a large walk in shower and is extremely well presented for sale. The second bedroom is again a large double with a window overlooking the rear garden and is fitted with a large double wardrobe. The third bedroom also overlooks the rear garden and is again a large double room. The family bathroom is fitted with a white suite, with a bath and separate shower, again immaculately presented. The accommodation throughout has been finished and maintained to an extremely high standard, you can just move in and relax!

Accessed externally from a side canopy porch, which is adjacent to the utility room is the large single garage, which also is being used as a spacious workshop and plumbing for washing machine.

Outside

Externally the property offers a large

brick paved drive with ample space for numerous vehicles, which proceeds the attached garage, which has a vehicular door to the front and a pedestrian door to the side. The front area is mainly gravelled, with raised flowering beds. The side garden offers raised vegetable and flowering beds, with mature plants and shrubs. The rear garden offers a paved seating area, a large lawn and a garden shed. It enjoys privacy with a mature hedge forming the rear boundary with numerous mature shrubs and trees in place.

The Location

Llanwrtyd Wells is a small town in Powys, mid-Wales, on the River Irfon. With a population of 850, it claims to be the smallest town in Britain. The town is on the A483 between Llandovery and Builth Wells and is located near the pass between the Tywi and Irfon valleys. Llanwrtyd Wells grew as a spa town around the Ffynnon Ddrewlyd, which still exists. The town is the site of both the World Bog Snorkelling Championships and the annual Man versus Horse Marathon, as well as other annual events.

The market town of Builth Wells (Llanfair ym Maullt) is a 20 minute drive away, located at the heart of Powys, Mid-Wales in what is arguably

some of the most beautiful countryside in the United Kingdom. Builth Wells lies within the Historic Boundaries of Brecknockshire, situated on the banks of the River Wye and the River Irfon – The Upper section of the Wye Valley. Builth Wells is famously known for playing host to the Royal Welsh Show, which is the biggest agricultural show in Europe and attracts over 240,000 visitors to the town each year, with a population of around two and a half thousand.
