- EPC- F

The Property

Park House is a substantial detached five bedroom, five bathroom character property which includes the main house which has three bedrooms and three bathrooms, two of which are en-suite. The owners reside in the attached two bedroom, two bathroom annexe, one of the bedrooms being en-suite. The main house is the holiday LET which has been extremely successful and provides a lucrative income. The property could easily be returned and occupied as a five bedroom property (subject to gaining any necessary permissions).

The Annexe (Owners Accomodation)

Lets begin the tour by stepping into

the annexe through the side door. Here you enter straight into the kitchen, with ample fitted wall and base units with a central serving island, the room is open plan to a dining area and is a light space with a large window to the side. Accessed off the kitchen is a useful utility room and this in turn leads to a ground floor shower room. The dining area leads off the kitchen through to a spacious lounge with a wood burner and double doors which open to the conservatory which enjoys a lovely outlook over the rear garden. A generous double bedroom makes up the remainder of the ground floor accommodation, which again has a nice outlook over the rear garden. Leading off the dining area is a staircase to the first floor double bedroom with a recently refurbished bathroom with a modern walk in shower. From the dining room an internal hallway gives you access into the main house (holiday LET) which is ideal for maintenance or if the property was returned to a single dwelling.

The Main House (The Holiday LET)

The main house offers a fabulous self contained three bedroom, three bathroom character cottage, which has been a successful holiday LET over the years. Details of income can be discussed with the owners when

viewing. Accessed via the front entrance hall which is ideal to kick off dirty boots, it opens in to the lounge area with a wonderful open fireplace. An open hallway leads to the dining room which offers a light aspect with a bay window to the side and a window to the front. Adjacent to the entrance hall is a useful walk-in storage cupboard. To the side of the lounge area is a well equipped kitchen, which in turn leads to a ground floor bathroom.

From an internal hallway a stair leads to the first floor which offers three bedrooms, the main is a large double with an en-suite shower which has been fully renovated and includes a large walk in shower. The second bedroom is a double and the third a generous single. A Jack & Jill bathroom is accessed off the double bedroom and landing has been recently updated and offers a well presented modern suite including a slipper bath.

NOTE

The fixtures and fittings in the holiday LET are included in the sale, which will enable the business to continue trading. A list of the fixtures and fittings will be available from the sellers on request.

Outside & The Outbuildings

Externally the property is accessed via a gravelled driveway to the front and benefits from a vehicular right of way which gives access to the rear garden. There are extensive outbuildings which offer huge potential, ideal for a number of uses. The current owners have converted part of the stable block into a studio for a successful dog grooming business, the business and equipment are available to purchase and provides a wonderful opportunity to acquire an already established, successful business. To the side of the studio are the remaining two stables, perfect for a pony. There are a number of other store sheds and a substantial detached double garage to the side of the front drive.

The gardens and grounds extend to 1/2 an acre in total with a grassed paddock flanking the drive and is adjacent to the stables. To the rear of the house a formal garden offers a private and enclosed area, mainly lawn with mature plants and shrubs with a decked seating area accessed off the conservatory.
