## The Property

Green Meadows is a beautifully presented, detached house found in the semi-rural hamlet of Bwlch-Y-Plain, which is just outside the village of Lloyney within the picturesque Teme Valley, approximately 4 miles from the popular market town of Knighton (Tref-y-Clawdd), which lies directly on the Welsh/English border.

Set in an elevated position nestled into the side of Goytre Hill, enjoying stunning, far-reaching countryside views, Green Meadows was originally built circa mid 1980's and offers spacious accommodation across 2 floors to include 4 double bedrooms, 4 reception rooms and 2 bathrooms. The property presents a pleasant blend of traditional and contemporary features from UPVC double glazed windows and an electric garage door, to fireplaces, wood-burning stoves and exposed timber beams, just to mention a select few. The property also has the addition of a recently installed, top of the range kitchen complete with an 'Aga' stove and Quartz worktops. The hub of the property, the kitchen is open-plan with the living room and dining space, while double doors open out to a south-facing decking area. The perfect place to enjoy that morning coffee! For those looking to work from home, there is a useful study/hobby room and fibre broadband is available with up to 900MB download speed. Outside, the property presents ample off road parking, an integral garage, sizeable, landscaped gardens to all sides and the added bonus of a detached, 2 storey

out-building/workshop (6.7m L x 5.7m W),

Inside, the accommodation is made up of an entrance porch, hallway with stairs rising off to the first floor, a sitting room, the open-plan kitchen/living room/dining area, a rear conservatory, the utility room, a downstairs W.C and a useful study/hobby room. On the first floor, a landing area gives way to the family bathroom and all 4 double bedrooms. Bedroom one has the benefit of a private en-suite shower room, while bedroom three has a unique walk-in dressing room off, which could potentially be converted into a further en-suite if required. All of the bedrooms enjoy fantastic views over the surrounding countryside.

Outside the property is approached over a quiet, country lane and a private tarmac driveway providing parking for numerous vehicles, which leads to the garage. Worthy of particular note, the gardens have been beautifully landscaped and are stocked throughout with mature shrubs, specimen trees, flowered beds and hedged borders. The front garden is largely laid to lawn, while a brick paved pathway leads through timber arches to a delightful wooden gazebo located in the top corner of the garden, which overlooks the house. To the right side of the house finds a gravelled area and the incredibly useful out-building/workshop (6.7m L x 5.7m W), which has power and lighting, a second floor, double doors allowing a larger rear access and further lean-to storage. The rear garden is split-levelled. Directly at the back of the house are decked and paved seating areas, as well as a decorative pond. The lower tier offers a small orchard and a lawned/grassed area, which currently serves chickens and ducks. A gate from the lower tier/back of the out-building opens to the lane/track.

Whether you are looking for a quiet residence to retire to, worlds away from the hustle and bustle of city life, or perhaps a larger property for your growing family, you can be sure that by purchasing Green Meadows you will have acquired a superb house, which is simply ready to move straight into and start calling "home"!

The town features a fortnightly 'farmers market' at the local community centre and also benefits from having a thriving artistic community including The Writers Group, a number of painters, art galleries, potters, craftsmen and a light entertainment society. Still a thriving market town spearheaded by local organisations, Knighton is a peaceful town offering breath taking, picturesque scenery and fully accommodates the laid back, relaxed lifestyle that many potential purchasers will be looking for. Mostly in Powys, partly in Shropshire it lies on the River Teme and is surrounded by hills giving the traveller a glimpse of the more remote areas accessible nearby.

The town's Welsh name is Tref-y-Clawdd meaning "Town on the Dyke". This is a reference to Offa's Dyke, which runs through the town, built by the Saxon King of Mercia to define his border with Wales. Every year hundreds of tourists and walkers visit the Dyke (which in its entirety runs from Prestatyn to Chepstow) and the Offa's Dyke Centre adding a real vibe to the town during the Spring, Summer and Autumn months. While here, other attractions that visitors to the town often call upon is the famous Space Guard Centre, which offers people the

chance to view the wonders of the universe in a fun and understandable way while also raising public awareness of the threat of asteroid and comet impacts and the ways in which they can predict and prevent them. Larger towns near to Knighton are the medieval market town of Ludlow, 16 miles East, and the Victorian Spa town Llandrindod Wells, 19 Miles South West.
