Outside, the property benefits a lawned front garden, complete with its own children's play area and a low maintenance rear courtyard garden, while adjacent to the house is a detached double garage and private parking area with space for 3 cars. The property also presents UPVC double glazed windows, external doors, soffits, fascia and barge boards for efficiency and ease of maintenance.

Beautifully presented, No.14 Mill Green is centrally situated approximately 500 yards from the vibrant town centre with its many independently owned shops and facilities, as well as the railway station and the famous Offa's Dyke centre, which directly behind has a large play park and playing field and of course the Offa's Dyke footpath, which within a short 5 minute walk leads you straight into the picturesque countryside and alongside the River Teme. Further afield finds the nursery & primary school and leisure centre/swimming pool.

Approached through the front garden, the property can be accessed via 1 of 2 entrance doors. The left door enters the utility room, while the right door is the official front door and opens to the hallway, which has stairs rising off to the first floor and a door to the right leading into the dining room. Open-plan with the living room, the dining room has space for a set of table and chairs and has a feature brick fireplace. Likewise, the living room has ample space for a three-piece-suite and a feature brick fireplace, as well as access into a useful understair storage cupboard. From the living room, separate doors lead into the modern kitchen and rear conservatory, which has a further door leading outside to the courtyard garden. The kitchen is installed with an array of wall and base cupboards with fitted worktops over, an inset sink and integrated appliances including a hob and cooker. From the kitchen, a door leads into the useful utility room, which again is fitted with an array of cupboards with worktops over, a 'Belfast' sink and has space and plumbing for appliances including a fridge/freezer and a washing machine. The Location

14 Mill Green is found approximately 500 yards from the main street, which hosts a variety of local groceries, retail shops and family run businesses. Knighton offers a good amount of facilities and services including a butchers and a supermarket, a bakery, a nursery/primary school, a railway station, a post office, a builders merchants, regular bus routes, a selection of public houses, cafés and restaurants, a leisure centre/swimming pool, a livestock market and a variety of sports clubs including a golf course, rugby club and football club.

The town features a fortnightly 'farmers

market' at the local community centre and also benefits from having a thriving artistic community including The Writers Group, a number of painters, art galleries, potters, craftsmen and a light entertainment society. Still a thriving market town spearheaded by local organisations, Knighton is a peaceful town offering breath taking, picturesque scenery and fully accommodates the laid back, relaxed lifestyle that many potential purchasers will be looking for. Described as the 'The Gateway to Wales' this market town is situated on the English/Welsh border. Mostly in Powys, partly in Shropshire it lies on the River Teme and is surrounded by hills giving the traveller a glimpse of the more remote areas accessible nearby.

The town's Welsh name is Tref-Y-Clawdd meaning "Town on the Dyke". This is a reference to Offa's Dyke, which runs through the town, built by the Saxon King of Mercia to define his border with Wales. Every year hundreds of tourists and walkers visit the Dyke (which in its entirety runs from Prestatyn to Chepstow) and the Offa's Dyke Centre adding a real vibe to the town during the Spring, Summer and Autumn months. While here, other attractions that visitors to the town often call upon is the famous Space Guard Centre, which offers people the chance to view the wonders of the universe in a fun and understandable way while also raising public awareness of the threat of asteroid and comet impacts and the ways in which they can predict and prevent them. Larger towns near to Knighton are the medieval market town of Ludlow, 16 miles East, and the Victorian Spa town Llandrindod Wells, 19 Miles South West. Both are easily accessible via road or rail links and offer further recreational, educational and leisure facilities.
