The Property

Vern Dale is a charming two bedroom character cottage that is located within the popular village of Erwood. Fully refurbished by the previous owners the property offers the modern comforts but yet retains mainly of its original character features. For ease the owner uses the rear entrance as it is close to the parking at the back so we'll start the tour there!

As you enter the cottage you step into a large rear porch/utility room which offers ample room for additional appliances and is certainly a great addition to the property. From there you step

into the kitchen, fitted with modern units with a wood finish worktop and electric oven, hob and extractor hood. From the kitchen a stair climbs to the first floor and there is also ample room for a dining table. To the front of the cottage is the lounge, a cosy room with light flowing through to the kitchen. There is a fitted wood burning stove set into a stone fireplace.

The first floor offers two bedrooms, the main a double and the second a generous single, both with exposed ceiling timbers. The shower room is fitted with a tasteful, modern white suite which is well presented for sale. The cottage is fully double glazed, with modern electric wall mounted heaters, meaning you can move straight in and relax!

Externally the property is again finished to a high standard, with a paved seating area, with storage, a raised garden area fitted with artificial grass which is a perfect place to sit in the summer months. A great asset to the property is the off road parking for two vehicles.
