Finished tastefully with Oak flooring giving that quality feel which is continued into the kitchen. The kitchen is fitted with modern cream fronted wall and base units, that overlooks the rear garden so you can keep an eye on the children playing in the garden. There is a useful side entrance porch giving access to the rear garden.

The quality of the decoration continues on the first floor with a split landing giving access to three bedrooms. two doubles and a generous single. The two rooms to the front have fitted wardrobes with floor to ceiling mirrored doors giving a spacious feel, the master bedroom has a south facing bay window and is a lovely room. The third bedroom at the rear is a good sized double and has a pleasant outlook over the rear garden. The family bathroom offers a modern white suite, with tiled walls and floor. A lovely, well presented property.

Outside

The property is accessed via a gated access which leads to the front door, with a paved path flanking the property and leading to the rear. The rear garden is a real selling point, well maintained, this large area is ideal for outside dining with a large paved seating area and also with a flat lawned garden, a really super garden for the current owners and their family. Some useful outbuildings are located at the rear of the property.

To the side of the property is the former garage, as most older garages, it may be too small to accommodate most modern cars but for an additional storage space its ideal. Subject to gaining the necessary approvals there is scope to extend the living accommodation into the garage off the main entrance hall, if the purchaser needed an extra reception or even ground floor bedroom, a really useful building attached to the house.
