## The Property

Introducing No.15 Mill Green, which is a detached, period house located in the heart of the market town of Knighton (Tref-Y-Clawdd), found directly on the Welsh/English border within the picturesque Teme Valley.

Dating back circa mid-18th century and retaining original features such as exposed timbers and brickwork and steel framed windows whilst also offering a pleasant blend of contemporary finishings, this south-west facing, recently refurbished property has 2 double bedrooms, 3 reception rooms and 1 bathroom. Outside, the property benefits a sizeable, landscaped front garden and a low maintenance side/rear courtyard garden. Available to purchase with no upward chain, the property has a 'Worcester' combi boiler and the benefit of fully owned solar panels and feed-in tariff, which helps significantly reduce the electricity costs. The property does not have designated parking, however ample unrestricted parking is available out-front, which the owner uses everyday without any problems whatsoever.

Beautifully presented throughout, No.15

Mill Green is situated within a peaceful, tucked-away area of Knighton, yet approximately 500 yards from the vibrant town centre with its many independently owned shops and facilities, as well as the railway station and the famous Offa's Dyke centre, which directly behind has a large play park and playing field and of course the Offa's Dyke footpath, which within a short 5 minute walk leads you straight into the picturesque countryside and alongside the River Teme. Further afield finds the nursery & primary school and leisure centre/swimming pool.

Inside, the accommodation spans across 2 storeys and is made up on the ground floor of a oak framed sun/reception room, which could be used for a variety of purposes, an open-plan living room with a feature fireplace and stairs rising off to the first floor, the newly installed kitchen/diner, a study with separate rear access, a useful utility and a W.C. On the first floor, a landing area gives way to the bathroom, which also houses the boiler and the 2 double bedrooms, which are positioned at either end of the property.

Outside, the south-west facing front garden is worthy of particular note and is a delightful space to relax within the warmer months of the year. The garden has walled borders and is stocked with a wide variety of mature shrubs and specimen trees, along with flowered beds, a summerhouse, storage sheds, lawned sections and has gravelled and paved pathways providing access to all corners. The side/rear courtyard garden is gravelled and paved for ease of maintenance and a door allows access back into the house via the study.

## The Location

15 Mill Green is found approximately 500 yards from the main street, which hosts a variety of local groceries, retail shops and family run businesses. Knighton offers a good amount of facilities and services including a butchers and a supermarket, a bakery, a nursery/primary school, a railway station, a post office, a builders merchants, regular bus routes, a selection of public houses, cafés and restaurants, a leisure centre/swimming pool, a livestock market and a variety of sports clubs including a golf course, rugby club and football club.

The town features a large community centre which has a strong volunteer network attached to it. The centre holds a monthly community market and in addition a number of charities, organisations and clubs use the centre for their activities. Still a thriving market town spearheaded by local organisations, Knighton is a peaceful town offering breath taking, picturesque scenery and fully accommodates the laid back, relaxed lifestyle that many potential purchasers will be looking for. Described as the 'The Gateway to Wales' this market town is situated on the English/Welsh border. Mostly in Powys, partly in Shropshire it lies on the River Teme and is surrounded by hills giving the traveller a glimpse of the more remote areas accessible nearby.

The town's Welsh name is Tref-Y-Clawdd meaning "Town on the Dyke". This is a reference to Offa's Dyke, which runs through the town, built by the Saxon King of Mercia to define his border with Wales. Every year hundreds of tourists

and walkers visit the Dyke (which in its entirety runs from Prestatyn to Chepstow) and the Offa's Dyke Centre adding a real vibe to the town during the Spring, Summer and Autumn months. While here, other attractions that visitors to the town often call upon is the famous Space Guard Centre, which offers people the chance to view the wonders of the universe in a fun and understandable way while also raising public awareness of the threat of asteroid and comet impacts and the ways in which they can predict and prevent them. Larger towns near to Knighton are the medieval market town of Ludlow, 18 miles East, and the Victorian Spa town Llandrindod Wells, 19 Miles South West. Both are easily accessible via road or rail links and offer further recreational, educational and leisure facilities.
