The Property

Introducing Sunnycroft, which is a beautifully presented, semi-detached house set in a slightly elevated position, located alongside popular Penybont Road towards the edge of the market town of Knighton (Tref-Y-Clawdd), found directly on the Welsh/English border within the picturesque Teme Valley.

Built in the 1930's as one of the first properties on the road by the well-regarded, local building firm Richard's, overall Sunnycroft is a sizeable, 3 bedroom property set over 2 storeys accommodating 3 reception rooms, a kitchen, utility room, downstairs W.C and a first floor shower room. A relatively efficient home owing to good insulation levels as well as UPVC double glazed windows, which not only hold the warmth in, but also frame beautiful, frontward views across to Ffrydd Wood and down the Teme Valley. Lovingly maintained but the present owners, within recent years the property has had the addition of a new bespoke kitchen, new shower room, a new roof to the dining area and utility, new double glazing to some of the windows, an electrical re-wire and consumer unit and new pipework for the central heating system, just to mention a select few. Outside, the property offers good-sized, landscaped front and rear gardens, a useful out-building/workshop and private, off road parking for 3 vehicles.

Sunnycroft offers the best of both countryside and town living, by being approximately 1/4 of a mile from the vibrant town centre with its many independently owned shops and facilities, while in contrast, continue walking

past the property and you will quickly find yourself surrounded by fields. Found approximately 100 yards from the property is a footpath, which joins a bridleway and national trail, which will lead you on a rural adventure.

Approached from Penybont Road and through the front garden, the front door opens into the entrance hall, which has stairs rising up to the first floor accommodation and separate doors opening into the living room on the left hand side, sitting room/study on the right hand side, downstairs W.C and the kitchen straight in-front. Both reception rooms have feature fireplaces and present pleasant views over the front garden and beyond, whilst the living room also has double doors opening outside to the rear patio/garden. The kitchen is fitted with a range of matching wall and base units with worktops over and integrated appliances. The kitchen then leads into the dining area at the rear, which has patio doors opening to the rear patio/garden and a separate door opening into the useful utility room. On the first floor, a landing area gives way to 3 bedrooms and the shower room. Both bedrooms one and two have ample space for double beds and enjoy distant frontward views towards Ffrydd Wood. Bedroom three is a single-sized bedroom and presents a rear view over the garden.

The landscaped front and rear gardens are worthy of particular note and pose as a haven for horticultural enthusiasts to get their green fingers stuck into! The front garden has a pathway running through to the front door of the property and overall is mainly laid to lawn with planted borders, a decorative pond and well-defined hedged and fenced boundaries. The pathway continues past the front door, alongside the house and out to the beautiful rear garden, which is two-tiered with the upper tier slightly sloped. Located on the lower tier and adjoining the house is a private patio area, which is an ideal spot to relax/entertain within the warmer months of the year and has easy access back into the dining room and living

room. The upper tier has sections of lawn, flowered beds stocked with a wide variety of mature shrubs and plants, hedged and fenced boundaries and an impressive water feature. Found towards the back of the rear garden is a greenhouse and a useful workshop/out-building which is installed with power and lighting. Steps at the back of the rear garden lead up to a gravelled, private parking area, which provides space for up to 3 vehicles and is also accessed from Garth Lane. A wicket gate from the parking area opens to a raised decking where fantastic views over the town are on offer.

The Location

Sunnycroft is located approximately 1/4 of a mile from the vibrant town centre with its many independently owned shops and facilities, while slightly further afield finds the train station, nursery, primary school and leisure centre, which are all within approximately 1/2 a mile. In addition and located in neighbouring West Street, finds the famous Offa's Dyke centre, which directly behind has a large play park and playing field and of course the Offa's Dyke footpath, which within a short 5 minute walk leads you straight into the countryside and alongside the River Teme.

The town features a large community centre which has a strong volunteer network attached to it. The centre holds a monthly community market and in addition a number of charities, organisations and clubs use the centre for their activities. Still a thriving market town spearheaded by local organisations, Knighton is a peaceful town offering breath taking, picturesque scenery and fully accommodates the laid back, relaxed lifestyle that many potential purchasers will be looking for. Described as the 'The Gateway to Wales' this market town is situated on the English/Welsh border. Mostly in Powys, partly in Shropshire it lies on the River Teme and is surrounded by hills giving the traveller a glimpse of the more remote areas accessible nearby.

The town's Welsh name is Tref-Y-Clawdd meaning "Town on the Dyke". This is a reference to Offa's Dyke, which runs through the town, built by the Saxon King of Mercia to define his border with Wales. Every year hundreds of tourists and walkers visit the Dyke (which in its entirety runs from Prestatyn to Chepstow) and the Offa's Dyke Centre adding a real vibe to the town during the Spring, Summer and Autumn months. While here, other attractions that visitors to the town often call upon is the famous Space Guard Centre, which offers people the chance to view the wonders of the universe in a fun and understandable way while also raising public awareness of the threat of asteroid and comet impacts and the ways in which they can predict and prevent them. Larger towns near to Knighton are the medieval market town of Ludlow, 18 miles East, and the Victorian Spa town Llandrindod Wells, 19 Miles South West. Both are easily accessible via road or rail links and offer further recreational, educational and leisure facilities.
