The Property

Introducing No.35 Rockes Meadow, which is a well maintained, semi-detached house located in a quiet, tucked-away close within the popular market town of Knighton (Tref-Y-Clawdd) found within the picturesque Teme Valley, directly on the Welsh/English border.

Built circa mid-1980's, this delightful property offers 3 bedrooms, 2 reception rooms and 1 bathroom. For ease of maintenance and efficiency the property also benefits modern UPVC double glazed windows and external doors, UPVC soffits, fascias and barge boards, high-levels of insulation, as well as air source heating and fully owned roof solar panels on both the front and back of the house. The property has an attached garage, off road parking for 2 vehicles and front and rear gardens.

Offering distant front and rear views beyond neighbouring rooftops, up and down the Teme Valley and across the beautiful Powys & Shropshire countryside, No.35 Rockes Meadow is situated approximately 1 mile from Knighton's vibrant town centre with its many independently owned shops and

facilities. The dwelling is also conveniently positioned approximately 350 yards from Knighton Nursery/Primary School and Leisure Centre/Swimming Pool.

Inside, a hallway has stairs rising off to the first floor and doors leading into the rear kitchen and the useful downstairs W.C. From the kitchen, separate doors open into the dining area, which subsequently leads into the living room, as well as into a useful larder store, which has a further door opening into the back of the garage. A door from the kitchen and sliding doors from the dining area provide access out to the rear garden. The living room has ample space for a three-piece-suite and has a feature fire. On the first floor, a landing area gives way to a useful cupboard, the 3 bedrooms, which includes 2 doubles and a single, and the bathroom. All 3 bedrooms enjoy distant, countryside views to either the front or rear.

Outside, the property has a tarmacadam driveway providing off road parking for 2 vehicles and leads to the attached garage, which is installed with lighting and power. The front and rear gardens are largely gravelled for ease of maintenance and have well-defined fenced and hedged borders, as well as an array of planted shrubs.

Open to a variety of buyer types, No.35 Rockes Meadow could be ideally suited for purchasers seeking to downsize and be nearer to everyday facilities, or even a young family looking to upsize and close to the local primary school for their children.

The Location

No.35 Rockes Meadow is situated approximately 0.75 miles from the vibrant town centre with its many independently owned shops and facilities and train station, while closer to home, the nursery, primary school and leisure centre are all within approximately 500 yards.

The town features a large community centre which has a strong volunteer network attached to it. The centre holds a monthly community market and in addition a number of charities, organisations and clubs use the centre for their activities. Still a thriving market town spearheaded by local organisations, Knighton is a peaceful town offering breath taking, picturesque scenery and fully accommodates the laid back, relaxed lifestyle that many potential purchasers will be looking for. Described as the 'The Gateway to Wales' this market town is situated on the English/Welsh border. Mostly in Powys, partly in Shropshire it lies on the River Teme and is surrounded by hills giving the traveller a glimpse of the more remote areas accessible nearby.

The town's Welsh name is Tref-Y-Clawdd meaning "Town on the Dyke". This is a reference to Offa's Dyke, which runs through the town, built by the Saxon King of Mercia to define his border with Wales. Every year hundreds of tourists and walkers visit the Dyke (which in its entirety runs from Prestatyn to Chepstow) and the Offa's Dyke Centre adding a real vibe to the town during the Spring, Summer and Autumn months. While here, other attractions that visitors to the town often call upon

is the famous Space Guard Centre, which offers people the chance to view the wonders of the universe in a fun and understandable way while also raising public awareness of the threat of asteroid and comet impacts and the ways in which they can predict and prevent them. Larger towns near to Knighton are the medieval market town of Ludlow, 18 miles East, and the Victorian Spa town Llandrindod Wells, 19 Miles South West. Both are easily accessible via road or rail links and offer further recreational, educational and leisure facilities.
