The Cottages

An opportunity to purchase a modern luxury holiday home located in a prestigious development consisting of only five similar homes set within a peaceful location and picturesque setting close to open countryside and within reach of the Jurassic coast.

Each cottage boasts a contemporary and well-designed interior, featuring large double-height windows, open plan living areas, spacious rooms, large, glazed sliding doors, high galleried ceilings, ground-floor bathrooms, en-suite facilities serving the first-floor bedrooms, and well-equipped kitchens. In addition to these features, each cottage has its own garden, sun terrace, and allocated parking.

The cottages form a well-established and profitable leisure business and are offered for sale individually, as multiples or as a whole (Going concern).

Situation

The property is situated on the fringe of a picturesque village on the outskirts of the coastal resort of Weymouth, gateway to the World Heritage Jurassic Coastline. Weymouth offers a comprehensive range of shops, marina and

recreational facilities. There is excellent walking in the vicinity (Thorncombe Woods and Puddletown Forest). The coast and Blue Flag beaches are just a short drive away as well as popular attractions such as The Sealife Centre, The Tank Museum, Monkey World and The National Weymouth & Portland Sailing Academy. Triathlon and Ironman events are also held in the area.

Local sporting and recreational facilities include good walking and cycling opportunities from the property into the surrounding countryside, with sailing and water sports available along the coast. Racing is at Wincanton, Exeter and Taunton. Local hunts include the Cattistock and South Dorset Hunts. Fishing can be enjoyed on the coast or many local rivers by licence. There are numerous golf clubs within short driving distance. A public footpath runs along the access lane.
