The Property

A two-bedroom coach house offering spacious and well-proportioned living space, along with the bonus of two garages.

As you enter the property, you are greeted by a welcoming entrance hall with access to one of the garages, which is currently being used as a studio or home office. From here, a staircase leads to a first-floor landing with access to all the principal rooms.

The focal point of this modern home is the bright and spacious open-plan kitchen, dining, and sitting room. This area is flooded with natural light from two skylights, front-facing windows, and a side elevation window. The windows are adorned with elegant hardwood shutters, and the room features hardwood flooring. The well-appointed kitchen includes a range of wall and floor-mounted units with ample work surfaces. It is equipped with a fitted electric oven, gas hob, extractor fan, and space for a washing machine, combining functionality with style.

The main bedroom boasts an en suite shower room and skylight, while the guest bedroom features built-in wardrobes for ample storage and a separate bathroom.

Below the main living space, there are two garages, both with up-and-over doors, power, and lighting.

Possible use for home office subject to the relevant consent being obtained.
