PROPERTY DETAILS

Pletts barn is quite simply a unique home in a delightful secluded courtyard setting, offering stunning, spacious three double bedroom accommodation. So where do we start? This exceptional and imaginative accommodation has been designed with the majority of the bedroom space on the ground floor and the living space primarily on the first floor. It's not difficult to imagine living in and utilising this wonderful living space, a perfect home for spacious family living. Original and distinctive properties like this are rare to the market so don't let this superb opportunity pass you by. With reception room one, boot room/utility, reception room two with feature hallway, inner hall, bedroom with luxury en suite shower room, further bedroom and luxury four piece bathroom. To the first floor: (this certainly has the wow factor) with minstrel gallery leading into open plan living/dining kitchen with exposed original roof trusses, beams and stonework. The master bedroom, dressing room and en suite are also on this floor. Outside: cobbled courtyard with paved low maintenance garden and storage shed.

The property is just a one minute walk from the village square in Grassington, of the Dales most sought after locations and once you visit you will understand why. With independent shops, coffee houses and village pubs along with an excellent local bus service linking you to the surrounding villages and the market town of Skipton (approx. 9 miles away) which provides a larger selection of shops and train links.

For those looking for that special wow factor home, with a perfect mix of old and new, then take a look at this.
