Council Tax Band: A

PROPERTY DETAILS

Considerably improved by its current owners, this well-presented, end-terrace property has undergone a complete re-wire, the installation of a new combination boiler, a new bathroom, thorough redecoration and the addition of uPVC doors and windows approximately four years ago. The current owners have left the kitchen installation for the prospective purchaser, allowing them to create their dream kitchen with plans available upon request.

The property offers well-proportioned living spaces including a sizable breakfast kitchen, comfortable sitting room, a practical keeping cellar, two generous sized bedrooms, a house bathroom and a landing with a loft hatch and pull-down ladder, giving access to a newly fully insulated, half boarded loft space. Outside, the property features a low-maintenance yard at the front and a charming cottage garden at the rear with pleasant open views. There is also parking for three cars in front of and alongside the house.

Conveniently situated just off the highly sought-after Park Road, this spacious end-terrace home is only a two-minute, level walk from the centre of Cross Hills, with a variety of schools, shops and amenities nearby.

Viewing is highly recommended to appreciate this wonderful home.
