PROPERTY DETAILS

This beautifully presented, mid-town house, offers spacious family living across three floors, featuring four bedrooms and off-street parking to the rear. Ideally situated, the property is sure to impress with its thoughtfully designed living spaces and modern conveniences.

Upon entering, the front porch leads into a welcoming hallway. The living room, positioned at the front, boasts a large window, a feature gas fire and concealed wiring for a wall-mounted TV. The well-equipped dining kitchen includes an integrated electric oven, gas hob with extractor fan, dishwasher, microwave and space for a washing machine. A rear door provides access to the private garden and just off the kitchen is a convenient W.C. that houses the wall-mounted gas central heating boiler.

The master bedroom, located on the first floor, offers a range of fitted wardrobes and overlooks pleasant rear views. Two additional bedrooms on this floor also feature fitted wardrobes, along with a modern family bathroom. The fourth bedroom, a cleverly designed loft conversion, includes under-eaves storage, a fitted wardrobe and a Velux window for added natural light.

Externally, the property features a low-maintenance front garden and a private, south-facing rear garden that acts as a suntrap. Additionally, there is gated off-road parking to the rear.

Cowling is a charming mix of traditional and modern homes, including small cul-de-sac developments, all set against the backdrop of The Pinnacles, locally known as the Salt and Pepper Pot. The nearby village centre offers local shops, while Cross Hills, just a five-minute drive away, provides a supermarket, restaurants, doctor's surgery and highly regarded schools.
