PROPERTY DETAILS

This modernised, stone built, terraced home is set in the picturesque village of Cross Hills. Lovingly upgraded and improved -including a recently installed kitchen, re-plaster throughout and a re-wire within the last 10 years, the property offers great potential with scope to create a third bedroom in the loft or to re-configure the spacious master bedroom, subject to the necessary planning permissions.

The double-glazed and centrally heated property includes a welcoming hallway leading to a large, open plan living room and kitchen/diner. The spacious living room features stripped and stained flooring and a beautiful feature fireplace with Indian flag hearth. Flowing seamlessly into the kitchen/diner you will find another feature fireplace and a recently installed kitchen with modern cream units, solid wood worktops, white ceramic sink and an integrated electric oven and hob with extractor fan.

To the first floor are two, double sized bedrooms and a house bathroom.

The outside features a rear garden -offering a paved seating area, an upgraded tarmac driveway providing off road parking and two useful outbuildings for storage.

Situated in a quiet location in the heart of this sought after village, the property benefits from excellent local amenities including shops, a supermarket, library, health centre and the superb South Craven school within walking distance.
