Offering you more security

Most properties have a 24-hour emergency call and secure door entry system for your peace of mind. The majority also have a manager to oversee estate services such as building maintenance, repairs or gardening. They can also advise on how to access further support if required.

I consider it to be the best move I ever made. I feel confident that Anchor is considering the best ways to look after one's wellbeing.

Retaining your individuality and independence is important, therefore you're free to decorate your new home as you wish. And if your needs change in the future, we're here to advise and assist with any alterations to your home.

You'll usually be welcome to bring your pet to live with you too – please ask for details of our pet policy.

Social activities

At some estates we offer optional social activities where you can get to know your neighbours – you're welcome to take part in these as and when you wish.
