£420,000

Welcome to Calico Crescent in the heart of the Carrbrook Conservation Area - if you have been looking for a home big enough for the whole family, surrounded by beautiful scenery, and ready to move straight into, then this beautiful four/five bedroom home could be just what you've been looking for. Thoughtfully improved by the current owners, this home offers generous accommodation set over three floors, and gorgeous hillside views you'll never get tired of.

With a double driveway to the front, as soon as you step through the front door you'll see how well the space works for family life. The ground floor has a handy WC, a large storage cupboard, and an office/guest bedroom - perfect if you work from home or need somewhere for visiting friends to stay. The integral garage is great for storage, but if you've got bigger plans, it could be transformed into more living space (subject to the usual permissions).

Up on the first floor the lounge stretches the full width of the house, giving you plenty of room to relax or entertain. To the rear is the kitchen diner - a real highlight. It's stylish, modern, and has space for the whole family to gather, plus a breakfast bar for casual dining. There's also a separate utility room and bi-fold doors leading into a bright conservatory.
