### Murrays Mills

The Murray brothers began construction in 1797, starting with Old then Decker Mills. New Mill followed quickly, and the mills were then connected by linking wings. All but one wing remains, as do the engine houses and the chimney.

Apartment 124 is located in Wing Mill. The development offers a 24 hour concierge, CCTV around the complex and gated access to the large communal courtyard. Murrays' Mills is an owner occupier development and has a strong sense of community which makes it unique in Manchester.
