111 Murrays Mills 50 Bengal Street

Ancoats, Manchester, M4 6LS

Wing Mill is a striking part of the renowned Murrays' Mills development—an award-winning regeneration project situated in the vibrant heart of Ancoats, one of Manchester's most sought-after neighbourhoods. The current building was constructed to replace the original Wing Mill, which was tragically lost to a fire in the 1950s. Thoughtfully designed, the new structure pays homage to its industrial heritage while introducing contemporary architectural elements that blend seamlessly with the surrounding historic mill buildings.

The property is presented in immaculate condition throughout, with a high-quality finish and a thoughtfully designed layout ideal for modern living. Additional benefits include secure allocated parking and access to a 24-hour concierge service, providing both convenience and peace of mind.

Murrays Mills

Murrays' Mills is a beautiful conversion located in the heart of Ancoats. The development is made up of Grade II & II* listed buildings, a new build block and a stunning townhouse. The development offers a 24 hour concierge, CCTV around the complex and gated access to the large communal courtyard. Murrays' Mills is an owner occupier development and has a strong sense of community which makes it unique in Manchester.
