Description

On entering the spacious and welcoming entrance hallway there is a modern kitchen fitted with many appliances. The sitting room has a real log fire and is dual aspect with a window to the front and bi-fold doors to the rear conservatory.

There are three bedrooms to the front of the property and one to the rear which includes an ensuite shower room. There is a family bathroom and a utility room which houses the oil fired boiler.

Exterior

The front of the property is enclosed by a low stone wall finished with timber fencing for additional privacy. This could easily be removed should the new owner wish, likewise it could be replaced with hedging of shrubs.

The gardens extend around the property and in our opinion can be easily maintained. There is a blocked paved parking space to the front left of the property.

The windows and doors are UPVC or timber and double glazed. Central heating and hot water is provided via an oil fired boiler. Approx 1108 sq. ft.
