Adjoining the kitchen is a utility room, which offers a secondary sink, integrated SIEMENS washing machine, access to the guest WC, the double garage, and a side entrance to the property. A discreet staircase within the utility leads to a private study/home cinema/games room, illuminated by four skylight windows. Completing the ground floor is a versatile formal dining room, currently used as a home office, featuring bespoke built-in storage and ample space for a large desk or dining setup.

To the first floor, a striking galleried landing with floor-to-ceiling windows offers a captivating outlook over the front driveway and gardens. Here, access is granted to four of the six bedrooms.
