To the front aspect, there is a neatly maintained frontage with newly fitted brickwork in the classic style of Kettering brick and Blue Engineering brick, echoing the Victorian heritage. The rear garden also benefits from newly installed brickwork in the same classic style, creating a seamless and cohesive finish.

A door to the right leads into the elegant reception room, featuring a large bay window to the front and glass patio doors at the rear, allowing natural light to flood the space. This room offers ample space for both living and dining furniture, if desired. The exceptional kitchen/reception room is undoubtedly the heart of the home, thoughtfully designed to accommodate family life in a single flowing space. The kitchen is fitted with a range of eye-level and base units, including an impressive pantry-style cupboard with pull-out drawers, a farmhouse-style sink, and integrated appliances such as a fridge freezer, dishwasher, microwave, and washing machine.
