Hallway

The hallway provides access to the living room, both bedrooms, and the wet room, and also includes a boiler cupboard and an additional storage cupboard. There is a smoke detector, and the front door is accessed from the inner secure hallway, with an intercom system linked to the external entrance door for added security.

Living Room

A bright and spacious room featuring patio doors that allow plenty of natural light to flood in. The focal point of the room is a wooden fire surround with a marble hearth and an inset electric fire. Additional features include two central heating radiators, wall and ceiling lights, and an open-plan layout leading into the kitchen area.

Kitchen

Fitted with a range of wall and base units, the kitchen includes a gas hob with an overhead extractor fan, an integrated electric oven, and space for freestanding appliances. The room benefits from vinyl flooring and overhead spotlights, creating a clean and practical space.

Master Bedroom

A generously sized double bedroom with neutral décor, central heating radiator, vertical blinds, and an emergency pull cord for peace of mind

Bedroom Two

A further good-sized bedroom featuring neutral décor, a central heating radiator, and vertical blinds

Wet Room

A well-presented and fully accessible wet room, fully tiled to the walls and fitted with resin flooring. It features a chrome towel radiator, low-flush WC, wash basin, and an overhead electric shower with a shower curtain for privacy. The low-rise shower screen, shower seat, and handrails make it ideal for wheelchair users. Finished with overhead spotlighting

Other Areas

Residents have access to a communal conservatory, shared across all floors, providing a pleasant social space to relax and meet other residents. This first-floor apartment is part of an over 60s development, offering comfort, convenience, and a welcoming community environment.
