Description of Property

Upon entering this property, you'll be greeted by a bright and welcoming hallway that provides access to the ground floor rooms. Here, you'll also find a guest WC. A staircase leads to the first-floor accommodation.

The sitting room is a bright and airy space with views over the walled courtyard garden at the front, thanks to a large floor-to-ceiling window. This window floods the room with natural light, highlighting the exposed beams, brick-built chimney breast with a log burner effect gas fire, and Karndean wood-effect flooring, which all contribute to the room's character and charm.

The kitchen/diner also boasts exposed beams, Karndean wood-effect flooring, and bare brick walls, enhancing the property's character. It features a large floor-to-ceiling window at the front, with an additional window at the rear. The kitchen includes quality wall and base units with granite work surfaces. Integrated 'Neff' appliances, such as a double oven, dishwasher,

gas hob with extractor above, and fridge/freezer, make this a well-equipped space. Additionally, there's a handy under-stairs pantry, and a door leads directly to the spacious garage.

Moving to the first floor, on the left side, you'll find a delightful double bedroom with roof windows, Karndean wood-effect flooring, and built-in wardrobes. This bedroom also includes a stunning en-suite bathroom with wood-effect Karndean flooring. The en-suite boasts a Heritage suite, consisting of a free-standing roll-top bath, low-level WC, and wash hand basin.

On the right side of the first floor, there's another lovely double bedroom with roof windows and Karndean wood-effect flooring. This bedroom leads to an en-suite shower room with wood-effect Karndean flooring, a generous shower cubicle with a rainfall shower head, a low-level WC, and a wash hand basin.

The second bedroom connects to a dressing room, with wood-effect Karndean flooring and a roof window. This versatile space could easily double as an additional bedroom or home office, adding to the functionality of the property.

Garden and Grounds

Outdoors, you'll find a small and easily maintained walled courtyard garden, providing a delightful space for relaxation and unwinding. The property includes allocated parking, and there's a block-paved central courtyard that offers a pleasant outlook.

In addition, the garage is not just a parking space but also houses the central heating boiler.
